RESALE and EXEMPTION CERTIFICATE INFORMATION

Dear Customer,

We are required by law to maintain a complete, up-to-date file of exemption certificates to substantiate the exempt sales we report on our Sales and Use Tax Returns.

In the absence of a completed exemption certificate that we have provided, the law compels us to consider all sales to you subject to tax. To avoid the possibility of erroneous charges for state sales and use tax on any sales this company makes to you, we are enclosing a multi-state Blanket Certificate of Resale/Exemption for your completion.

If your purchases from us are exempt from tax, you must complete and sign the enclosed certificate listing your registration certificate(s) or permit number(s) for all states in which you claim exemption. A copy/picture of your tax permit is not considered a legitimate exemption certificate by the state. It must have your number or numbers and be dated and signed by you.

It is possible that you have submitted this form already and this request was sent prior to receipt of your documentation. If this is the case, please disregard this notice. However, it is better to furnish us with two than none, so if you are not sure, please complete this one and return it to us.

We have provided convenient ways to return the pages for the provided exemption certificate to us.
